

First Aid Sessions- Autumn 2022

In the Autumn term, Mr and Mrs Pazzard (who are both paramedics) came and completed first aid sessions with children from year one to year six.

Our children were taught about:

- How to call for help (including calling 999).*
- How to make sure they keep themselves safe.*
- How to put someone in the recovery position.*
- How to stop bleeding.*
- How to apply a bandage.*

Children in years 4, 5 and 6 also learnt the basics of CPR.
