

Abbey Primary School - Music Curriculum Overview

Vocabulary Progression						
EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
high low quiet (voice) loud (voice) thinking voice guitar	so mi la ta	do	re	te-tika tika-te crochet quaver ukulele	texture timbre form structure semi-quaver semi-breve	triplets ties slurs composer conductor
	te-te beat body percussion piano	ta-aa tika-tika tempo rhythm pitch rest	ta-aa-aa ta-aa-aa-aa round stave treble clef loop pulse			

Year	Singing	Composing	Musicality
EYFS	<ul style="list-style-type: none"> • Sing and act simple songs, chants, and rhymes from memory. • Respond to simple visual directions and counting in. • Sing songs using high and low sounds (soh-mi) 	<ul style="list-style-type: none"> • Create musical sound effects and short sequences of sounds in response to stimuli. • Choose instruments or sound-makers to make sounds in response to a story. • Clap a range of rhythm patterns and use these to vary the pitch. • Begin to recognise how graphic notation can represent created sounds. Pupils explore and invent own symbols. 	<p>Pulse/Beat</p> <ul style="list-style-type: none"> • Walk, move, or clap a steady beat. • Use body percussion and classroom percussion playing repeated rhythm patterns (ostinati) and short, pitched patterns on a range of instruments to maintain a steady beat. • Respond to music through movement and dance. <p>Rhythm</p> <ul style="list-style-type: none"> • Perform short copycat rhythm patterns accurately, led by the teacher. • Perform short repeating rhythm patterns (ostinati) while keeping in time with a steady beat. • Perform word-pattern chants; <p>Pitch</p> <ul style="list-style-type: none"> • Listen to sounds in the local school environment, comparing high and low sounds. • Sing familiar songs in both low and high voices and talk about the difference in sound. • Explore percussion sounds to enhance storytelling. • Follow pictures and symbols to guide singing and playing

Year	Singing	Composing	Musicality
1	<ul style="list-style-type: none"> • Sing simple songs, chants, and rhymes from memory. • Sing collectively and at the same pitch. • Start with a very small range >mi-so (3rd) > slightly wider range. Include pentatonic songs. • Pupils sing a wide range of call and response songs to control vocal pitch and to match the pitch they hear with accuracy. • Respond to simple visual directions and counting in. 	<ul style="list-style-type: none"> • Improvise simple vocal chants, using question and answer phrases. • Create musical sound effects and short sequences of sounds in response to stimuli. Combine to make a story, choosing and playing classroom instruments or sound-makers. • Understand the difference between creating a rhythm pattern and a pitch pattern. • Invent, retain, and recall rhythm and pitch patterns and perform these for others, taking turns. • Use music technology, if available, to change and combine sounds. • Recognise how graphic notation can represent created sounds. 	<p>Pulse/Beat</p> <ul style="list-style-type: none"> • Walk, move, or clap a steady beat with others, changing the speed of the beat as the tempo of the music changes. • Use body percussion and classroom percussion playing repeated rhythm patterns (ostinati) and short, pitched patterns on tuned instruments to maintain a steady beat. • Respond to the pulse in recorded/live music through movement and dance. <p>Rhythm</p> <ul style="list-style-type: none"> • Perform short copycat rhythm patterns accurately, led by the teacher. • Perform short repeating rhythm patterns (ostinati) while keeping in time with a steady beat. • Perform word-pattern chants; create, retain, and perform their own rhythm patterns. <p>Pitch</p> <ul style="list-style-type: none"> • Listen to sounds in the local school environment, comparing high and low sounds. • Sing familiar songs in both low and high voices and talk about the difference in sound. • Explore percussion sounds to enhance storytelling. • Follow pictures and symbols to guide singing and playing

Year	Singing	Composing	Musicality
2	<ul style="list-style-type: none"> • Sing songs regularly with a pitch range of do-la (5th) with increasing vocal control. • Sing songs with a small pitch range, pitching accurately. • Know the meaning of dynamics and tempo. • Be able to demonstrate these when singing by responding to the music leader's directions and visual symbols (e.g. rest, pause). 	<ul style="list-style-type: none"> • Create music in response to a non-musical stimulus. • Work with a partner to improvise simple question and answer phrases, to be sung and played on untuned percussion, creating a musical conversation. • Use graphic symbols, dot notation and stick notation, as appropriate, to keep a record of composed pieces. • Use music technology, if available, to capture, change and combine sounds. 	<p>Pulse/Beat</p> <ul style="list-style-type: none"> • Understand that the speed of the beat can change, creating a faster or slower pace (tempo). • Mark the beat of a listening piece by tapping or clapping and recognising tempo as well as changes in tempo. • Walk in time to the beat of a piece of music or song. Know the difference between left and right to support coordination and shared movement with others. • Begin to group beats in twos and threes by tapping knees on the first (strongest) beat and clapping the remaining beats. • Identify the beat groupings in familiar music that they sing regularly and listen to <p>Rhythm</p> <ul style="list-style-type: none"> • Play copycat rhythms, copying a leader, and invent rhythms for others to copy on untuned percussion. • Create rhythms using word phrases as a starting point. • Read and respond to chanted rhythm patterns, and represent them with stick notation including ta, tete, ta-aa, tikatika. • Create and perform their own chanted rhythm patterns with the same stick notation. <p>Pitch</p> <ul style="list-style-type: none"> • Play a range of singing games based on the cuckoo interval matching voices accurately, supported by a leader playing the melody. The melody could be played on a piano, acoustic instrument or backing track. • Sing short phrases independently within a singing game or short song. • Respond independently to pitch changes heard in short melodic phrases, indicating with actions (e.g., stand up/sit down, hands high/hands low). • Recognise dot notation and match it to 3-note tunes played on tuned percussion.

Year	Singing	Composing	Musicality
3	<ul style="list-style-type: none"> • Sing a widening range of unison songs of varying styles and structures with a pitch range of do-la, tunefully and with expression. • Perform forte and piano. • Perform actions confidently and in time to a range of action songs. • Walk, move, or clap a steady beat with others, changing the speed of the beat as the tempo of the music changes. • Perform as a choir in school assemblies. 	<p>Improvise</p> <ul style="list-style-type: none"> • Become more skilled in improvising (in a range of contexts) inventing short 'on-the-spot' responses using a limited note-range. • Structure musical ideas (e.g., using echo or question and answer phrases) to create music that has a beginning, middle and end. Pupils should compose in response to different stimuli, e.g. stories, verse, images (paintings and photographs) and musical sources. <p>Compose</p> <ul style="list-style-type: none"> • Combine known rhythmic notation with letter names to create rising and falling phrases using just three notes (do, re and mi). • Compose song accompaniments on untuned percussion using known rhythms and note values. 	<ul style="list-style-type: none"> • Develop facility in playing tuned percussion or a melodic instrument such as violin or recorder. Play and perform melodies following staff notation using a small range (e.g., Middle C-E/do-mi) as a whole class or in small groups (e.g., trios and quartets). • Use listening skills to correctly order phrases using dot notation, showing different arrangements of notes C-D-E/do-re-mi: • Individually (solo) copy stepwise melodic phrases with accuracy at different speeds; fast, and slow. Extend to question-and-answer phrases. <p>Reading Notation</p> <ul style="list-style-type: none"> • Introduce the stave, lines and spaces, and clef. Use dot notation to show higher or lower pitch. • Apply word chants to rhythms, understanding how to link each syllable to one musical note. • Fast, slow, Stave, lines and spaces, clef, reading dot notation - do-me Range of a 3rd, Loud (forte), Quiet (piano)

Year	Singing	Composing	Musicality
4	<ul style="list-style-type: none"> • Continue to sing a broad range of unison songs with the range of an octave (do-do) • pitching the voice accurately and following directions for getting louder (crescendo) and quieter (decrescendo). • Sing rounds and partner songs in different time signatures (2, 3 and 4 time) • begin to sing repertoire with small and large leaps as well as a simple second part to introduce vocal harmony. • Perform a range of songs in school assemblies 	<p>Improvise</p> <ul style="list-style-type: none"> • Improvise on a limited range of pitches on the instrument they are now learning, making use of musical features including smooth and detached. • Begin to make compositional decisions about the overall structure of improvisations. Continue this process in the composition tasks below. <p>Compose</p> <ul style="list-style-type: none"> • Combine known rhythmic notation with letter names to create short pentatonic phrases using a limited range of 5 pitches suitable for the instruments being learnt. Sing and play these phrases as self-standing compositions. • Arrange individual notation cards of known note values (i.e., minim, crotchet, crotchet rest and paired quavers) to create sequences of 2-, 3- or 4- beat phrases, arranged into bars. • Explore developing knowledge of musical components by composing music to create a specific mood, for example creating music to accompany a short film clip. • Introduce major and minor chords. • Include instruments played in whole class/group/individual teaching to expand the scope and range of the sound palette available for composition work. 	<p>Instrumental Performance</p> <ul style="list-style-type: none"> • Develop facility in the basic skills of a selected musical instrument over a sustained learning period. • Play and perform melodies following staff notation using a small range (e.g., Middle C- G/do-so) as a whole-class or in small groups. • Perform in two or more parts (e.g., melody and accompaniment or a duet) from simple notation using instruments played in whole class teaching. Identify static and moving parts. • Copy short melodic phrases including those using the pentatonic scale (e.g., C, D, E, G, A). <p>Reading Notation</p> <ul style="list-style-type: none"> • Introduce more combinations of already known note values. • Read and perform pitch notation within a defined range (e.g., C-G/do-so). • Follow and perform simple rhythmic scores to a steady beat: maintain individual parts accurately within the rhythmic texture, achieving a sense of ensemble.

		<ul style="list-style-type: none">• Capture and record creative ideas using any of:<ul style="list-style-type: none">- graphic symbols- rhythm notation and time signatures- staff notation- technology	
--	--	--	--

Year	Singing	Composing	Musicality
5	<ul style="list-style-type: none"> • Sing a broad range of songs from an extended repertoire with a sense of ensemble and performance. • Include observing phrasing, accurate pitching and appropriate style. • Sing three-part rounds, partner songs, and songs with a verse and a chorus. • Perform a range of songs in school assemblies and in school performance opportunities. 	<p>Improvise</p> <ul style="list-style-type: none"> • Improvise freely over a drone, developing sense of shape and character, using tuned percussion and melodic instruments. • Improvise over a simple groove, responding to the beat, creating a satisfying melodic shape; experiment with using a wider range of dynamics, including very loud, very quiet, moderately loud and moderately quiet. Continue this process in the composition tasks below. <p>Compose</p> <ul style="list-style-type: none"> • Compose melodies made from pairs of phrases in either C major or A minor or a key suitable for the instrument chosen. These melodies can be enhanced with rhythmic or chordal accompaniment. • Working in pairs, compose a short ternary piece. • Use chords to compose music to evoke a specific atmosphere, mood or environment. For example, La Mer by Debussy and The River Flows In You by Yiruma both evoke images of water. Equally, pupils might create music to accompany a silent film or to set a scene in a play or book. • Capture and record creative ideas using any of: <ul style="list-style-type: none"> - graphic symbols - rhythm notation and time signatures 	<p>Instrumental Performance</p> <ul style="list-style-type: none"> • Play melodies on tuned percussion, melodic instruments, or keyboards, following staff notation written on one staff and using notes within the Middle C-C'/do-do range. • Understand how triads are formed, and play them on tuned percussion, melodic instruments, or keyboards. Perform simple, chordal accompaniments to familiar songs. • Perform a range of repertoire pieces and arrangements combining acoustic instruments to form mixed ensembles, including a school orchestra. • Develop the skill of playing by ear on tuned instruments, copying longer phrases and familiar melodies. <p>Reading Notation</p> <ul style="list-style-type: none"> • Further understand the differences between semibreves, minims, crotchets and crotchet rests, paired quavers, and semiquavers. • Understand the differences between 3/4, 4/4 and 6/8 time signatures. • Read and perform pitch notation within an octave (e.g., C-C'/do-do). • Read and play short rhythmic phrases at sight from prepared cards, using conventional symbols for known rhythms and note durations.

		- staff notation - technology.	
--	--	-----------------------------------	--

Year	Singing	Composing	Musicality
6	<ul style="list-style-type: none"> • Sing a broad range of songs, including those that involve syncopated rhythms, as part of a choir, with a sense of ensemble and performance. This should include observing rhythm, phrasing, accurate pitching and appropriate style. • Continue to sing three- and four-part rounds or partner songs, and experiment with positioning singers randomly within the group in order to develop greater listening skills, balance between parts and vocal independence. • Perform a range of songs as a choir in school assemblies, school performance opportunities and to a wider audience 	<p>Improvise Extend improvisation skills through working in small groups to:</p> <ul style="list-style-type: none"> • Create music with multiple sections that include repetition and contrast. • Use chord changes as part of an improvised sequence. • Extend improvised melodies beyond 8 beats over a fixed groove, creating a satisfying melodic shape. <p>Compose</p> <ul style="list-style-type: none"> • Plan and compose an 8- or 16-beat melodic phrase using the pentatonic scale (e.g., C, D, E, G, A) and incorporate rhythmic variety and interest. Play this melody on available tuned percussion and/or orchestral instruments. Notate this melody. • Compose a ternary piece; use available music software/apps to create and record it, discussing how musical contrasts are achieved 	<p>Instrumental Performance</p> <ul style="list-style-type: none"> • Play a melody following staff notation written on one staff and using notes within an octave range (do-do); make decisions about dynamic range, including very loud, very quiet, moderately loud and moderately quiet. • Accompany this same melody, and others, using block chords or a bass line. This could be done using keyboards, tuned percussion or tablets, or demonstrated at the board using an online keyboard. • Engage with others through ensemble playing (e.g., school orchestra, band, mixed ensemble) with pupils taking on melody or accompaniment roles. The accompaniment, if instrumental, could be chords or a single-note bass line. <p>Reading Notation</p> <ul style="list-style-type: none"> • Further understand the differences between semibreves, minims, crotchets, quavers and semiquavers, and their equivalent rests. • Further develop the skills to read and perform pitch notation within an octave (e.g., C-C/do-do). • Read and play confidently from rhythm notation cards and rhythmic scores in up to 4 parts that contain known rhythms and note durations. • Read and play from notation a four-bar phrase, confidently identifying note names and durations
