Current numbers on roll (nor) Reception – Year 6 = 200

Number of children in Reception and years 1 – 6 who are eligible for Sport Premium on the May 2024 School Census = 174 (funded)

Funding received: £16,000 + £10 per eligible pupil= £17,740

Background:

In April 2013, the Government announced new funding of £150 million for Physical Education (PE) and sport. This funding should be used to improve the quality and breadth of PE and Sport provision. The funding is for the period September 2024 to August 2025. This funding is ring fenced to be used for sport specific areas to make an impact in Physical Education and Sport in schools.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and Sport provision, including increasing participation in PE and Sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

Further information and guidance about the PE and sports premium can be found using the following link: <https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools#how-funding-is-calculated-and-the-amounts-payable-for-2023-to-2024>

The revised vision for the Primary PE and Sport Premium is:

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

OBJECTIVE: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.
It is expected that schools will see an improvement against the following 5 key indicators:

1. The engagement of **all** pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport
