

**EYNESBURY CHURCH OF ENGLAND PRIMARY SCHOOL
MFL CURRICULUM LONG TERM PLAN - QUESTION BASED
CULTURAL CAPITAL AND BRITISH VALUES OPPORTUNITIES
2025 - 2026**

The organisation of our French curriculum is explained, such as detailing the strands which thread through every unit: Speaking and pronunciation, Listening, Reading and writing, Grammar, Intercultural understanding and the over-arching strand 'Language detective skills.' This condensed curriculum version of the French Long-term plan still gives full coverage of the national curriculum, but in fewer lessons. Please note that not all the skills and knowledge from our [French: Progression of skills and knowledge](#) document will be covered: you are advised to see our [French: Progression of skills and knowledge — condensed](#) version for further details of the skills and knowledge covered if you follow the condensed curriculum.

Cultural Capital opportunities by teaching and learning a Modern Foreign Language our children will be taught that languages are part of the cultural richness of our society and the world in which we live and work. Through the study of a foreign language, our children will learn to understand and appreciate different countries, cultures, communities and people. The ability to understand and communicate in another language is a lifelong skill for education, employment and leisure in this country and throughout the world.

British Values opportunities – by teaching and learning a Modern Foreign Language our children will learn the world is made up of people and nations, different faiths and beliefs
