## Mrs Brown's bit...time to reflect!

### A warm welcome back to you all

Our start back to school was a good one. The children all looked super smart, eager to get back into routines and spend time with their friends. Over the summer the staff had worked hard to prepare their classrooms, refreshed displays, a change in organisation and new books ready for the children to work in.

A return to structured learning after a long break is welcome for most, phonic lessons, maths and English, Science, guided reading, PE and Art happening across the school.

Many thanks to those of you who came to our 'Meet and Greet the Teacher' sessions. These sessions allow you to be informed about the forthcoming year for your child. Our area for further development as a school is to continue to challenge our learners. Our aim is for our children to enjoy being challenged. We want them to relish thinking hard. Their positive attitudes to learning are to be underpinned by the desire to 'give it a go and never give up'. Important for everyone at every stage of their learning journey.

As ever, many thanks for your support since our return and the lovely feedback we continue to receive!

And so to the weekend! Have a super couple of days! Stay well everyone and we will see you on Monday morning at 8.40am.

OF YOUR DAY

## This Week's Eynesbury's Eight!

- We welcomed our new reception and pre-school children to school and also other children across KS1 and KS2. We hope you will all be very happy at Eynesbury.
- Our Pre-School continued its makeover in the summer with new carpet being fitted. Pre-school looks super smart.

- The children completed some textiles work before the summer break. They thought about our values and how we 'Love to Learn, Learn to Love'. Their work will be permanently displayed in the hall.
- The children soon settled back into their creative learning lessons. There was some lovely artwork in Years 4 and 6 being produced.
- Mr Goddard returned to start the year off with gusto. Year 3 demonstrated great team work and development of netball skills this week.
- Father Paul welcomed us to church on Wednesday and told us the story about Elijah. It was linked to our value of respect.
- We have clubs up and running, including our new Spaghetti Maths club which has gone down a storm!
- Huge thanks to our Junior Leaders and newly appointed House Captains who have supported our new Reception children at lunchtime. You are all superstars!

## Reading...please support us!

Reading is the doorway to the world, our children will be able to access everything if they become fluent readers. As a school we are continuing to work hard to develop a great love of reading and a reading culture in our school.

**With your support of hearing your child read daily, we can create a generation of strong readers. Please can you also ensure your children brings their reading diary/log book to school daily. Thank you!**
