Mrs Brown's bit...

Warmer Spring days!

It has been absolutely fabulous to see the Spring sunshine. The days have been brighter, warmer and have enabled us to get out onto the field. Great days.

This term is an important one for our Year 6 children as they sit their statutory assessments, make the all important transitions to secondary school and also enjoy their final half term with sports day, swimming, a production and their leavers celebrations. Moving up to secondary brings a mix of emotions for them, their families and the staff as we prepare to wave them off!

In the two short weeks we have been back, our School Improvement Advisor has visited, the school budget is almost set for the new financial year, staff have spoken about their pupils in our pupil progress meetings, Governors have visited and the children have continued to make strides in their learning. Summer term is a busy term but full of lovely things to look forward for everyone!

We will see you all again on **Tuesday 5th May at 8:40am - it is class photo day so SMILE please!** . Have a great bank holiday Monday!

As ever, stay well and take care of each other.

Our Eynesbury Eight!

- Our local MP Ian Sollom visited school council. Our school councillors asked some very interesting questions.
- School council visited parliament, they saw the House of Commons, the House of Lords, learned how laws are made and they ended their day on the London Eye.
- KS2 visited the Methodist Church and had a great time with Mrs Cracknell who led the visit for us! Thank you!
- Year 5 have started their swimming sessions at the pool. A life skill!
- Miss Blackburn got her gardening gang together and they have made great strides in the school garden. Lots of children attend and it is wonderful to see our youngsters at one with all things nature.
- Senior Leaders spent time in Reception. The children have made such lovely progress this year, they are confident, curious and very keen to learn! Well done Mrs Cummings and her team.
- Our classes have started to think about spirituality and what it means to them as individuals. The children have been very reflective and have spent time wondering and pondering!
- Lizzie in Year 5 is doing the Pretty Muddy 5k run for cancer research. Last year, she raised over £1000. Any donations would be gratefully received. Please visit:

Are we free to say anything we want?

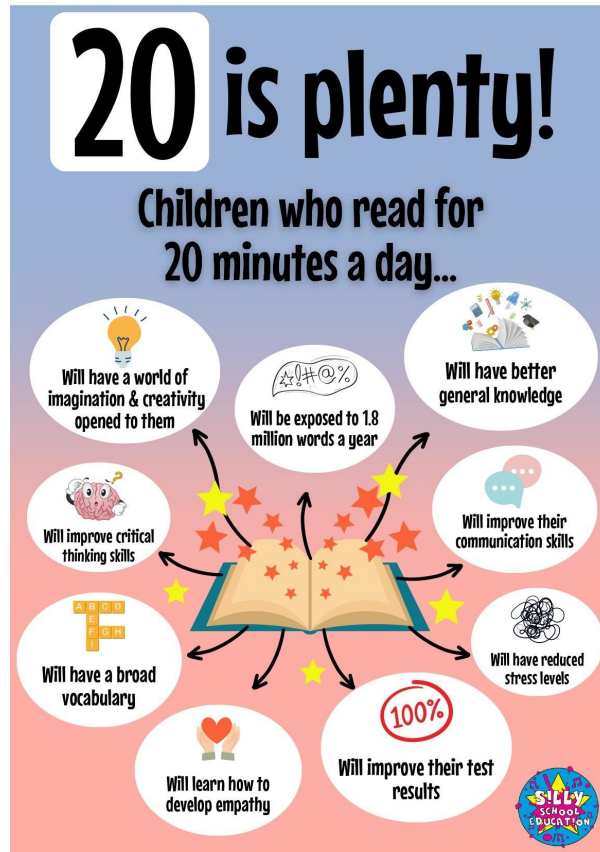

Reading matters! Please support us and listen to your child read.

Reading is the doorway to the world, our children will be able to access everything if they become fluent readers. As a school we are continuing to work hard to develop a great love of reading and a reading culture in our school.
